Figures quoted represent past performance, which is no guarantee of future results. Investment returns will fluctuate. The Fund's yield figures more closely reflect the current earnings of the Fund than the total return figures. Current performance may be lower or higher than the performance data quoted.

Money market funds are sold without a front-end sales charge or contingent deferred sales charge. Other fees and expenses apply to an investment in the Fund and are described in the Fund's current prospectus.

An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the Fund.

The adviser has committed to certain fee waivers and/or expense reimbursements. These reductions may be discontinued.

¹Portfolio composition is subject to change and may have changed since the date specified.

This fact sheet must be accompanied or preceded by a current prospectus for Service Class shares of the Wells Fargo Advantage Money Market Funds.
