Figures quoted represent past performance, which is no guarantee of future results. Investment returns will fluctuate. The Fund's yield figures more closely reflect the current earnings of the Fund than the total return figures. Current performance may be lower or higher than the performance data quoted.

Money market funds are sold without a front-end sales charge or contingent deferred sales charge. Other fees and expenses apply to an investment in the Fund and are described in the Fund's current prospectus.

An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the Fund.

The adviser has committed to certain fee waivers and/or expense reimbursements. These reductions may be discontinued.

*A portion of the Fund's income may be subject to federal, state, and/or local income taxes or the alternative minimum tax (AMT).

¹Portfolio composition is subject to change and may have changed since the date specified.

²The ratings indicated are from Standard & Poor's and/or Moody's Investors Service (together "rating agencies"). Standard & Poor's is a trademark of McGraw-Hill, Inc., and has been licensed. The Fund is not sponsored, endorsed, sold, or promoted by these rating agencies, and these rating agencies make no representation regarding the advisability of investing in the Fund. The credit rating is a forward-looking opinion about a Fund's potential capacity to maintain stable principal or stable net asset value. The ratings are opinions as of the date they are expressed and not statements of fact or recommendations to purchase, hold or sell any security. Standard & Poor's rates the creditworthiness of money market funds from AAAM (highest) to Dm(lowest). Ratings may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the ratings categories. Moody's rates the creditworthiness of money market funds from Aaa (highest) to C (lowest). Ratings Aa to Caa may be modified by the addition of a number 1 (highest) to 3 (lowest) to show relative standing within the ratings categories.

³The National Association of Insurance Commissioners (NAIC) is the organization of insurance regulators from the 50 states, the District of Columbia, and the four U.S. territories. The NAIC provides a forum for the development of uniform policy when uniformity is appropriate. A fund is NAIC approved when it is on the List of Approved Mutual Funds pursuant to Part 4, Section 6 (d) of the Securities Valuation Office (SVO) Purposes and Procedures Manual of the NAIC.
